FOR THE GREATER GOOD
WOMEN'S SUMMIT

Friday, October 4, 2019
6 p.m. – 9 p.m.

Saturday, October 5, 2019
7:45 a.m. – 5 p.m.
The For the Greater Good Women’s Summit is the inaugural women’s event for the Paul H. O’Neill School of Public and Environmental Affairs. Created in response to alumni and student feedback requesting more targeted women’s programming, the Summit is an alumni-led initiative to increase the confidence of undergraduate, graduate, and PhD students and alumni who identify as female as they prepare to become or advance as leaders for the greater good—in their workplaces and in personal lives.

We ask that participants focus on creating a welcoming, open space for challenging but enriching dialogue. As you work to advance your career and vision for your life, how are you impacting others? Are you bringing others along with you?

We would like to thank the 130 alumni and dozens of students who helped conceptualize and launch this initiative.

Our sincere thanks go to Summit speakers and the Summit Alumni Steering Committee, as we could not have done this without you.
