

O'Neill Petition to Remove a Hold due to Multiple Term Withdrawal

Indiana University Bloomington undergraduate students who complete a Withdrawal from All Subjects for two academic terms (fall, spring, or summer) will not be permitted to register for a future term without written permission of the dean of their college/school or the dean's delegate. These students will have a Negative Service Indicator (hold) that prevents future registration placed on their record by the Office of the Registrar until such permission is obtained.

For O'Neill majors who wish to petition to resume or continue your studies, please submit the following form, electronically, to Amy Bastin at ambastin@indiana.edu two weeks prior to the start of the semester in which you wish to enroll. **Within one week of receipt of petition, O'Neill will either:**

- 1) Notify you that your hold has been removed, or
- 2) Require you to meet with your O'Neill Academic Advisor before removing the hold
